Olin Kealoha Lagon - CEO, Hawaiian Homestead Technology

Olin Kealoha Lagon is a results oriented ad-

vocate for eco-

nomic

opportunities that

have solid impact

on minority indi-

viduals. A former

Peace Corps

business volun-

teer, technical as-

sistance director for the Hawaii Community

Loan Fund, Lagon's efforts have been directed

to minority owned businesses. As CEO of

Hawaiian Homestead Technology, he estab-

lished the first technology center in Anahola on

Kauai three years ago as a model to provide

training and employment to the economically

challenged Hawaiian homestead area. A second

center opened in Waimanalo in 2004 and the

third is in the planning stages for 2005.
