

Association Receives \$1 Million Grant

by John Sang

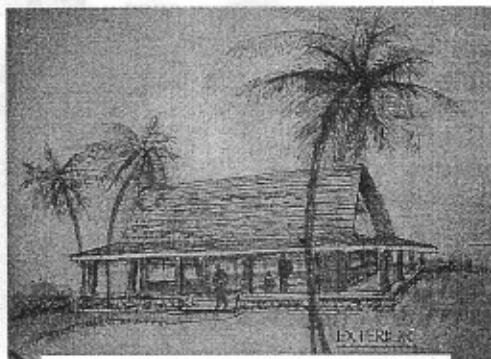

The Waimanalo Hawaiian Homes Association recently received word its request for funding from the State Legislature to build the third and final phase of Ka Ho'oilina Na Kuhio was approved. On April 27th, House Representative Tommy Waters (D) from Waimanalo, called Paul Richards and Joe-Ann Sang to inform them that the legislature approved the one million dollar request for construction money needed to complete the kitchen building.

Paul and Joe-Ann have been working diligently with Representative Waters for the approval of funding for the kitchen building. A very special thank you is extended to Tommy Waters for all his hard work and effort he went through to make it possible for this to happen. It is interesting to note, after seeing the completion of the Halau building Tommy Waters was so impressed at what Paul and Joe-Ann had done he became very excited and a strong propo-

nent for WHHA's request for funding. The third phase will go

cilities.

Also planned for construction is an outdoor certified kitchen to service an imu pit. The pit will be sheltered and designed to allow for teaching students how to properly build and work the imu pits.

Conceptual view of new Kitchen building to be built

The expected ground breaking day for the kitchen building is expected at the end of this year or possibly the beginning of 2006. A big congratulations is extended to everyone who helped to make this possible.

into design and planning by the start of summer. It will house a certified kitchen and a larger computer room to expand the services of the Hawaiian Homestead Technology Program. Also housed in the new kitchen will be a new maintenance room to accommodate the necessities of operating and maintaining the fa-

Layout of center with conceptualized kitchen building
